

Sunderland trip

Saturday/Sunday 15th/16th July

George still has five places available on this trip for bowling or non-bowling members. The full cost is £102 and includes meals accommodation travel and much more. Full details are on the notice board. If you would like to join the party sign up at the clubhouse or contact George direct

Club Shirts Sue would like to send for a new order of shirts fairly soon and needs at least ten orders to get them at the lower price., so if you want one, or feel you need a second one, sign up on the notice board or contact Sue Bradford for more details

An encouraging start With a few weeks of the season under our belts I can report very good all round success

The **Saturday 4x3** Mansfield league team have played 4 won 4

The **Saturday EBA** team have won 1 of 3, but this constitutes one more win than last season as a whole. We think we could go plural by the end of the season

The **Thursday 4x2 team A** have played 3 won 3 in the higher division , having been promoted last year.

The **Thursday 4x2 Team B** have won one lost one, but will compete for the top spot if last year is anything to go by

The **Notts EBF** league team have won one lost one

The **Retford District** league team lost their first game narrowly on the final end

Overall a very respectable start to the year, which we hope will continue

Just Roll Up

Newsletter for Retford Bowling Green

Dear members

May 2017

With the season now fully underway it's time for an update on what's going on.

Firstly we welcome three new playing members to the club in Peter and Marion Betts and Steve Ashford, all of whom have settled in well and are getting out on the green. I'm sure we'll all enjoy getting to know them better as time goes on.

I don't want to speak too soon but in terms of results the competitive season has started on a bit of a winning streak, more details of which you can find inside. The friendly fixtures, while still competitive, have also provided that much-needed fun element and the first major internal competition, the secretary's fours was a great success. Add to all this the rinks nights and club competitions and you will see that a great deal of work has been done on our behalf, notably of course by Trevor and we thank him for all his efforts. We wish Keith a successful year as club captain and thank him also for his efforts behind the scenes.

Contributions

If there are any contributions which you feel would be a positive benefit to the club please let me know and I may be able to include them in future issues

Secretary's Fours

After five hours of competition and five games for each team the result turned out as a three-way tie on points After shot difference was taken into account the team of **Gilna Williamsom , Ann Peat , Keith Towiss and Bob Bagshaw** were placed third, while the other two teams could still not be split.

On total points scored the team of **Millie Satchell, Sue Bradford, Mike Boon and John Peat** were placed second, leaving the winning team of an excellent day's competition as **Sue and Fred Mills and Elizabeth and David Brammer**

Secretary Val with the winning team and some bloke in the background getting in on the act

Our gallant runners up

Note the team finishing third on the same points don't get a photo. It's a cruel world out there

Competitions Please remember that deadline dates for internal competitions need to be kept to. The first named person should take responsibility for contacting their opponent. Try to do so in good time

Team Selection Lists are up on the notice board for the upcoming games. Make sure you get your name down to show your availabilities
