Dear Members

August 2017

If your eyes are drawn to the fine body of men bottom left wait on. This was all about ladies day and what a day it was, An excellent turn out in warm summer sunshine made for a most successful and enjoyable day. The gents donned their pinnies in appreciation of the effort the ladies make throughout the year. Sue Bradford was the eventual winner with Gilna Williamson runner up after a very closely contested tournament. The mixed pairs Wistaria turned up an excellent final with Sandra Smith and Trevor Lewis against Ben Palmer and Maureen Lewis. The whole game was of a very high standard, but one end in particular was as good an end of bowls as you could wish to see. Ben and Sandra had exchanged shots when Ben sprung the Jack towards the ditch and by the end the lead changed another five times between Trevor and Maureen. To the pleasure of the spectators the game continued in the same vein until Sandra and Trevor finally won by 10 shots to 9.

Leicester Sunday tourists (below) provided the annual 7 rinker, where we saw a strange piece of equipment used to propel the woods down, with unerring accuracy. A friendly afternoon of competition was enjoyed by all

Mixed Fours
