Newsletter for Retford Bowling Green

August 2018

Dear Members

It is that time of year when the season starts to draw to a conclusion. The trips to Sunderland and Bridlington have been enjoyed, the league and cup commitments are almost at an end, sadly this year with no trophies to report and our extensive list of friendly matches has provided 'exactly what it says on the tin' - much valued friendly competition. There are of course a number of people behind the scenes who have made all this possible, notably Trevor who has usual has done an excellent job on organising and also Captain Geoff who has made sterling efforts to ensure that we raised a team week-in-week-out to fulfil our commitments.

Every season finishes on a high and the fun parts are still to come, so make sure you get your names down for the Barbecue, Captain's Day, President's Day and try to show your support on finals days, for all of which there are details included in this newsletter. There are still a few places left for these events so sign up now if you haven't already done so.

We can congratulate Joan Mather on reaching the national senior fours at Leamington and Joan again along with Liz Illger who are competing in the Federation Silver Jubilee Vase final at Skegness.

Ladies day

Five ladies won all three of their games, with Mary Stannah and Mandy Cooper winning through to a very close final, where Mary won by 9 shots to 8, capping an excellent ladies day. What a result for newcomer Mary and a real encouragement for all of our new members. Well done Glennis

Another closely contested final saw a win for Sue and Fred Mills over Val Brodie and Steve Woods by 6 shots to 5, Helen and Keith Worth were third, having also won all of their three group matches.
