Newsletter for Retford Bowling Green

September 2018

Dear Members

Well finals days have come and gone, with the minimum of disruption considering the weather. (See results inside) It was pleasing to see a sizeable amount of support on the sidelines and spectators were treated to some high quality bowls. We should not of course forget how beautiful the sidelines have looked this year, with Shirley's expert efforts on the flowers and the work put in by Helen and Keith in establishing a garden to be proud of at the bottom of the green.

The barbecue was a great success with good food served up by the usual crew, another stimulating quiz and an interesting bingo session where we informed that -

Dirty Gerty and some fat ladies met Desmond Tutu, with his duck and his mate on the Brighton line in Sherwood Forest. Well, that had me completely confused for one. And I wasn't the only one. One table clearly thought it was Karaoke night and burst into song every time the number 50 came out. Still Bob did a great job of calling the numbers and we thank him for that.

As the season draws to a close, it would be sad not to keep nights like that going in some form, so it has been suggested that we make Friday nights a social evening throughout the winter break on a fortnightly basis, starting on October 5th at 7.30 and so maintain some contact with other members. This will be in addition to the established social schedule outlined inside.

We hope we can call on your support as we will need volunteers for work parties to do some of the many jobs required to keep our club in the condition that we would all like. Details of the October work parties will appear in next month's newsletter when they are finalised.

Oh by the way Thursday 13th September 5.45PM is **Ladies v Gents**. Hardly worth mentioning really as it's such a low-key affair.

President's day

No Cow Pie , but desperate Danny is putting on hot dogs and cakes on what no doubt will be a fun-packed day.

Sunday 23rd Sept. 2.00

He's not desperate really. He's actually quite nice.

Captains' Day

Geoff and Glennis will be laying on a 'mystery spread' for another afternoon of bowls not to be missed. **Saturday 29th September 2.00**

Captains' Corner

When we took on the role of Captains we left it for volunteers to come forward as Vice-Captains and to follow on as next year's Captains. Unfortunately we are still waiting. We have both enjoyed serving the Club in this way and obtained great satisfaction. Being a Captain is not a difficult task. Yes, it takes time and effort but, at the same time, is very rewarding. You will always have the full support of us and other previous Captains. Please give this serious consideration for the good of the Club.

Editor's comment

I'm sure you will all agree that Geoff and Glennis have been doing and still are doing a brilliant job in their roles as Captains. Who will be next to take on the honour of those positions? There are so many suitable candidates within the club.
