Newsletter for Retford Bowling Green

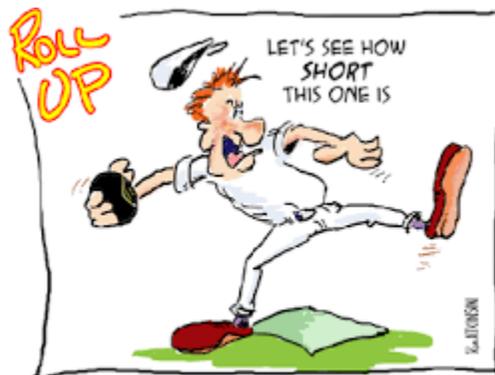

Nº 15 March 2019

Hello Everyone,

I'm sure that you will all agree that Steve Woods made an excellent job of producing our regular newsletters. As no one has yet stepped forward to take on his role I thought that I'd have a go, at least temporarily. As I am already editing the web site I saw it as a natural progression.

I have already submitted a piece to Retford Life which I hope will be published in April. This highlights our Open Day, Charter Day, and coaching sessions in order to promote the club and hopefully gain more members. Also to this end I have ordered some (free) promotional materials from Bowls England.

AGM

Wednesday 20 March at 7:00pm

Invitations have now gone out for our Annual General Meetings. If you have opted to receive these by email then you should already have them. (If not then check your junk/spam folder). For the remainder your printed invitations are available for collection from the table by the bar in the clubhouse.

As usual the Company AGM will take place at 7:00, followed by a short break before continuing to the Club AGM. This is the opportunity that all members and shareholders have to make their voice heard. So you are encouraged to come along and participate in these important meetings.

Nominations

Elections will be taking place for Directors, Committee Members and Club Captain. Nomination forms are situated on the Secretaries' Notice Board and the overflow in the adjacent corridor.

Renewals

This year we have introduced Remittance Advices for use when renewing your membership. Please complete these in advance and attach to your payment. Spare copies will be available at the meetings.

Pre-Season Dinner
Saturday 13th April
7.00 for 7.30

Once again Sandra Bishop will be providing one of her excellent carvery dinners with dessert. Full details and sign-up list in the porch.
