## New Members

This year we saw a big influx of new members and it was good to see you all coming and taking part in all of our various bowling activities. However it appears that fewer of you are coming to enjoy our closed season social activities. Maybe you are unaware of what's on offer and how enjoyable these various activities can be. Everyone is welcome (bowlers and non-bowlers). Come along and enjoy what our great club has to offer.

Just to highlight two of these, alternate Fridays we have Coffee Morning and Social Evenings. These are great opportunities to meet your fellow members, have a natter and pick up news. Friday evenings the bar is open and there are various games on offer such as skittles, cards, dominoes, table bowls or just have a drink and relax.

Our programme of regular activities is once again shown on the back page of this newsletter.
