Irrigation System

Further to earlier communications here are a couple of pictures illustrating our new irrigation system in action, stills from a video by Jim Dukes. Once again our thanks to Jim and all of the volunteers involved with this project.

Looks like we won't be seeing that big dry patch in the middle of rinks 7 and 8!

Reflections of the Virus

1. Half of us are going to come out of this quarantine as amazing cooks. The other half with a drinking problem
2. I used to spin that toilet paper like I was on Wheel of Fortune, now I turn it like I'm cracking a safe
3. I need to practise social distancing with the refrigerator
4. I still haven't decided where to go for Easter - the living room or the bedroom
5. Every few days, try your jeans on just to make sure they still fit. Pajamas will have you believe all is well in the kingdom.
6. I don't think anyone expected when we changed the clocks, we'd go from Standard Time to the Twilight Zone
7. This morning, I saw my neighbour talking to her cat again. It was obvious she thought her cat understood her. When I got back into the house, I told my dog and we both laughed.
8. My body has absorbed so much soap and disinfectant lately that when I pee, it cleans the toilet.
9. I'm so excited it's time to take out the dustbin. What should I wear?
10. Better 6 feet apart than 6 feet under....!!
